Indoor Gaelic League starts February 28, 2010

What are Gaelic Sports?

Have you ever wanted to touch the ball in Soccer or get a score for sending it over the net? Both Gaelic Football and Hurling combine the skills of soccer, basketball, hockey and volleyball, and no, it's not Rugby.

Gaelic football and hurling reign from Ireland are the hottest and fastest growing sports in the United States. They are even being played at schools like Notre Dame University!

To see clips of the game played, follow the links on:

www.DelcoGaels.com
